BRIDAL TESTIMONIALS

"My partner Martin Duggan and I got married here at The Anglers. What a fantastic day we had. The staff, particularly the manager Peter, Niamh and Vincent, all staff to be honest, made our day so so special" *Susan*

"My brother previously got married at The Anglers. They looked after us so so well, they were so friendly and accommodating, such good vibes, scenery, food, stall were all flawless" *Ed*

"Thank you so much for the most incredible day! It was flawless from start to finish, we can't thank you enough" *Shirley*

"Thanks so much to everyone at The Anglers Cork, cannot recommend this venue enough. We had the best day" *Aisling*

"We organized our wedding day at The Anglers and had the most magical day! First the location is fantastic. Ticking all the boxes we were going for: laidback but stylish open, garden party festival style wedding, beautiful outdoors with all then indoor options possible. The Staff was very supportive. They really helped guide our special day and made us feel at ease for the day. Prior to our big day we met in person numerous times. The staff explained to us in detail how the day would pan out. We also stayed in close contact throughout the organisational phase by email and they accommodated pretty much all of our enquiries (ie renting an additional stretched tent for the ceremony, arriving in our vintage car etc) Stunning site, flexible layout, supportive staff made our special day possible!" *Nicolas & Karolyn*
